

Thrice Trumpeted Truths

CLEARLY spoken 3 times

Pastor,

- ▶ Are your people reading their Bibles?
- ▶ Are they interested in Bible study?
- ▶ Would they rather read a “feel good” type book than their Bible?

This problem is not new because Hosea stated:

“My people are destroyed
for lack of knowledge.”

Question: How can Bible study be made more intriguing?

The book, *Thrice Trumpeted Truths*, presents an intriguing, search and find approach to most of the major Bible doctrines.

Also, Dr. Holland has presented messages based on several of the Bible’s triples.

The response has been consistent: “This makes me want to study my Bible more,” and “Thank you for this approach to Bible study.”

A Day in the Word

Note: Any message can utilize a Power Point with time parameters defined by the occasion (25-40 minutes).

Note concerning responses: messages concerning biblical truths, revealed by triples, have been very well received. Comments range from, “I have never seen these connections before,” to “Thank you for renewing my interest in Bible study.”

The messages are gleaned from many triples in the recent book:

Who is Jesus?

Yes!!! (See message outline: [Who is Jesus?](#))

- ▶ There are three sets of “I AM” statements identifying God’s eternality and Jesus’ deity.
